

THE RC 300-D IS HERE

a NEW 1/8 scale R/C race car by ASSOCIATED

Now ASSOCIATED has combined the NEW #2750 Differential, with the world's most popular 1/8 scale gas car, to bring you the NEW RC 300-D kit. This NEW RC 300-D kit comes complete, as shown, less radio & engine. This is the easiest car in the world to drive. It is extremely good on slippery tracks. It is also the most economical car to race and maintain.

RC 300-D KIT \$290.00

ASSOCIATED'S NEW #2750 Differential is also available separately for the RC 300 car. This rugged differential is designed for the serious racer. Comes completely assembled & ready to install in your RC 300 car.
#2750 DIFFERENTIAL . . . \$120.00
